

## Curanderismo: Traditional Medicine without Borders of Mexico and the Southwest

### Request for Continuing Education Units

#### In-person June Class

Continuing Education Units, or CEUs, are a nationally recognized standard for documenting successful completion of non-credit programs and courses intended to improve the knowledge and skills of working adults.

Professionals in certain professions are required to pursue continuing education and demonstrate that they have received continuing education units in an area related to their field.

#### For CE students:

The Summer Curanderismo Traditional Medicine **in-person class** entitles you to receive **4.5 Continuing Education Units** after submission of a final reflection. 1 unit per 10 hours of classroom instruction.

#### During the class:

You will write a daily reflection for each of the days of class. You will submit a final portfolio containing each of your daily reflections. Please see syllabus for details and guidelines for your reflections.

#### Upon completion of the 2-week class:

Please submit your final portfolio of daily reflections **no later than** the stated deadline in the syllabus. There is no need to submit the reflections on a daily basis but only once upon completion of the course. After submission, Professor Del Angel-Guevara will report your successful completion to UNM Continuing Education.

#### After submission of final portfolio:

Please allow 5 business days after submission and send email to [ceregistration@unm.edu](mailto:ceregistration@unm.edu)

UNM continuing education will send you an official certificate issuing the 4.5 CEUs.

#### After receiving the certificate:

You will send the CEU certificate to your licensing board/employer together with the syllabus/calendar for this class. The licensure board/employer will determine how many CEUs to award based on what they consider relevant to their discipline.
